This remodeled beauty in the heart of Crozet blends timeless style with contemporary comfort. New LVP flooring extends a welcoming invitation to this move-in-ready home. The spacious living room boasts a wood-burning fireplace with an electric blower and new brushed gold light fixture creating an inviting and bright atmosphere. In the remodeled kitchen, new stainless-steel appliances gleam against the backdrop of new granite countertops and newly painted cabinets adorned with brushed gold hardware. The modern subway tile backsplash makes this kitchen shine while the dining space is adorned with a modern brushed gold chandelier and a new sliding door leading to a large deck, providing the perfect spot to enjoy al fresco dining or simply soak in the surrounding tranquility. The main level owner's suite boasts an expansive walk-in closet and fully remodeled ensuite bathroom with a new vanity, toilet, and tub/shower. Two additional bedrooms each feature new ceiling fans and the same luxurious LVP flooring. The hall bathroom is also completely new! The possibilities continue with the unfinished walk-out basement, offering washer and dryer hookups, a rough-in for a bathroom, and ample room for future expansion.
